

August 30 Enthusiasm at Terminal Kadıköy: Istanbul Celebrated Victory Day with Yeni Türkü

On **August 30 Victory Day**, **Terminal Kadıköy** brought Istanbulites together around a shared sense of enthusiasm. Events held throughout the day—including a ceremonial procession, the salutation of **Mustafa Kemal Atatürk's wax statue**, and DJ performances—allowed visitors to fully experience the spirit of the national holiday.

In the evening, the legendary band **Yeni Türkü** took the stage, creating unforgettable moments for the crowd gathered at Terminal Kadıköy with their iconic songs. The concert, during which participants sang along in unison, crowned the Victory Day celebrations by blending patriotic excitement with music.

Bringing together **culture, art, sports, gastronomy, and entertainment**, Istanbul's new lifestyle destination **Terminal Kadıköy** hosted an unforgettable celebration on August 30 Victory Day, welcoming visitors from all corners of the city.

The day-long program began with a procession saluting the **wax statue of the Great Leader Mustafa Kemal Atatürk**, located on the historic train at Terminal Kadıköy. Drawing great interest from visitors, the procession spread the festive atmosphere throughout the venue. This was followed by a DJ performance on the **Platform Stage**, setting the rhythm for the evening and entertaining attendees ahead of the Yeni Türkü concert.

At **8:00 PM**, the legendary band **Yeni Türkü** took the stage, captivating the atmosphere of Terminal Kadıköy with their timeless songs. Hundreds of Istanbulites sang along to the band's most beloved works, taking the Victory Day excitement to its peak.

Guests arriving from across Istanbul experienced Terminal Kadıköy's dynamic spirit not only through gastronomy, but also through **art, music, and entertainment**, witnessing a truly memorable national holiday celebration. Terminal Kadıköy marked **August 30**, one of the most significant days of Türkiye's independence struggle, with a powerful sense of unity and enthusiasm shared across the city.

About Terminal Kadıköy

Developed by **Akfen** with a vision of exemplary urban transformation, **Terminal Kadıköy** offers visitors a new social living space in the heart of Istanbul where they can pause and breathe.

Located in **Söğütluçeşme, Kadıköy**, at the intersection of the **Marmaray, High-Speed Train, and Metrobus** lines—used by an average of **120,000 people daily**—Terminal Kadıköy creates a new meeting point at the very center of the city with its distinctive layout of **13 horizontal and 1 vertical streets**.

Positioning itself as a one-of-a-kind gastronomic hub in Türkiye, Terminal Kadıköy offers a wide variety ranging from **street food and international cuisines** to **gourmet chef restaurants, next-generation coffee shops, and an open organic market**.

Developed under the consultancy of the **Culinary Arts Academy**, **7DE7** brings together **21 different food venues** under a mercado concept while also housing **the world's largest sports bar**. In addition, a **1,500-seat stage and cultural arts center**, to be developed by **Paribu**, will host events from various disciplines throughout the year.

Designed with principles of **social transformation and sustainable living**, Terminal Kadıköy aims to bring a fresh perspective to Istanbul by holistically integrating **art, gastronomy, and social life**.
