Podium Success from Ekin Ereke at the Mountain Bike Turkish Championship

Supported by Team Akfen İnşaat, national cyclist Ekin Ereke stood on the podium as the Turkish third-place winner in the U23 Women's category at the 2026 Mountain Bike Turkish Championship held in Nevşehir Cappadocia.

Supported by Team Akfen İnşaat, national cyclist Ekin Ereke completed the 2026 Mountain Bike Turkish Championship held in Nevşehir Cappadocia with significant degrees.

Competing in two different disciplines at the championship that brought together Turkey's leading mountain bike athletes, Ereke drew attention with her performance throughout the organization. Competing in the **XCC Short Track Race** held on July 17, the national athlete completed the **Elite Women general classification in 4th place**.

On the second day of the championship, taking the track in the U23 Women's category at the **XCO Cross-Country Olympic Mountain Bike Race, Ekin Ereke** succeeded in standing on the podium as the **Turkish 3rd-place winner**.

Competing in two different disciplines of mountain biking that require speed, endurance, and technical skill, Ereke completed one of the year's most important national mountain bike organizations with a podium degree. The successful national athlete waved the Team Akfen İnşaat flag at the award ceremony.
